Guidelines for Grant Applicants

Individuals and Families

We consider applications from vulnerable individuals and families in crisis who have limited incomes and live in Walthamstow or Chingford. The majority of these grants will be as a result of referrals from the social or health services. Most applicants are visited prior to their grant being considered.

We can occasionally assist students and apprentices living in Walthamstow or Chingford with a grant for books, equipment or tools, where there is limited family income.

Applications for grants to individuals are considered at monthly meetings of the Grants and Accommodation Committee, and you will be notified of the outcome of the application in writing.

Liz Abbott
